

RELIC CLOUD

* NEW *

The original bold design that creates a statement centrepiece for any environment and allows users to collaborate in a semi enclosed environment through the canopy enclosure. As the office landscape has evolved so has the footprint required to collaborate. This has created a need for both smaller individual collaboration surfaces and continuous runs in various table heights. Relic Cloud has been designed as a canvas to enable you to incorporate both biophilia and lighting options.

FEATURES

- Fully integrated cable management
- Various sizes of units catering for both more compact spaces and longer and more varied landscapes
- Available in dining and poseur heights
- Mobile versions available in all sizes
- Power and data options
- Mesh hanging trays allow multiple fixing points
- Optional cable management lighting pack to work with Peak Light

Relic Cloud

Lighting Cable Management Kit
See below

Castors
(Only available on 92.5")

Relic Cloud has been perfectly designed to incorporate hanging pendant lights from the mesh panels on the canopy.

For concealed cable management an optional lighting cable management kit is required per table.

Each kit includes one cable tray, cable management channel (matching RAL to frame finish), 2m 6-way extension lead, 5m single extension lead and table switch.
