| desking

# desking.

**Our collection of office desks offers a wide range of desktop shapes, functionality, finishes and accessories to help your workspace suit your exact needs.**

Discover our desking range which includes a wide variety of desks to suit any office environment. Our desking range includes executive desking, open space and height adjustable ranges to suit either home or office workspaces.

We source our desks from leading industry suppliers to offer the best office desks on the market. We are both an environmentally aware and an environmentally sustainable company and will plant a tree for every desk we sell.

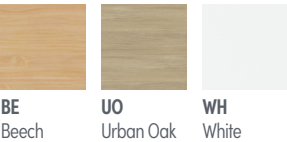

# Komo desking

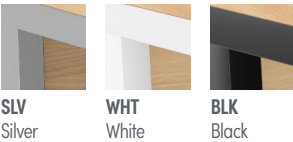

**Komo is a highly flexible system with integrated cable management hidden neatly in its legs.**

Metal to metal fixings allow for simple re-configuration, while elegantly curved tops complete with pearl nickel aluminium portals add that all important finishing touch.

# take productivity to the next level with Leap sit-stand.

**An effortless height-adjustable desk system featuring single and back-to-back desks in a wide range of sizes, shapes and finishes.**

Leap sit-stand desks are electrically adjusted to sitting or standing height, helping reduce the risks and problems associated with prolonged sitting.

**The range includes single, corner, K-top, and back-to-back desks, all controlled by programmable touch-sensitive controls, featuring anti-collision software.**

Leap is WEEE certified and meets EN527, EN 527-1:2011 and EN 527-2:2016 including motor durability test.

## Key Features

- 10-year guarantee
- Child lock
- Two powerful motors
- Scratch and heat resistant

# Leap single

**Leap single offers a stand-alone sit-stand desk solution, available as frame-only or with a range of tops.**

Leap single desk frame can be expanded to accommodate tops from 1200 to 1800 mm in width, and is height-adjustable from 595 to 1245 mm using Leap's intuitive and programmable touch-sensitive controls.

# the most environmentally friendly sit-stand desks available.

**Strong, beautiful and sustainable, Bamboo is the go-to material for eco-friendly manufacturing.**

If you are conscious of how your material choices affect climate change then, naturally, bamboo tops are a great investment for your business and the planet.

**Our bamboo desktop doesn't just make a sustainable statement, it's beautiful too with unique grain striations and stunning edge detailing**

Unlike our other sit-stand top options, Bamboo offers both the scallop and portal cable management options. The Bamboo desktop is both aesthetically pleasing and environmentally conscious, and comes with a 10-year guarantee too.

**Bamboo tops are available to order on our Leap, Zoom and RoundE height-adjustable desk ranges.**

# screens.

**Simple solutions that provide the privacy and seclusion that you need.**

We offer a range of office dividers, office privacy screens and other office desk screens to give yourself the perfect acoustic solution to a noisy office, the possibility of social distancing and the privacy that you need. Investing in an office partition or screen is the ideal fix, as it's a simple and effective way to create defined spaces that offer the opportunity for quiet concentration and privacy.

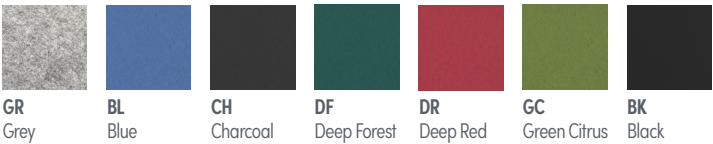

# Koala Acoustic PET screens

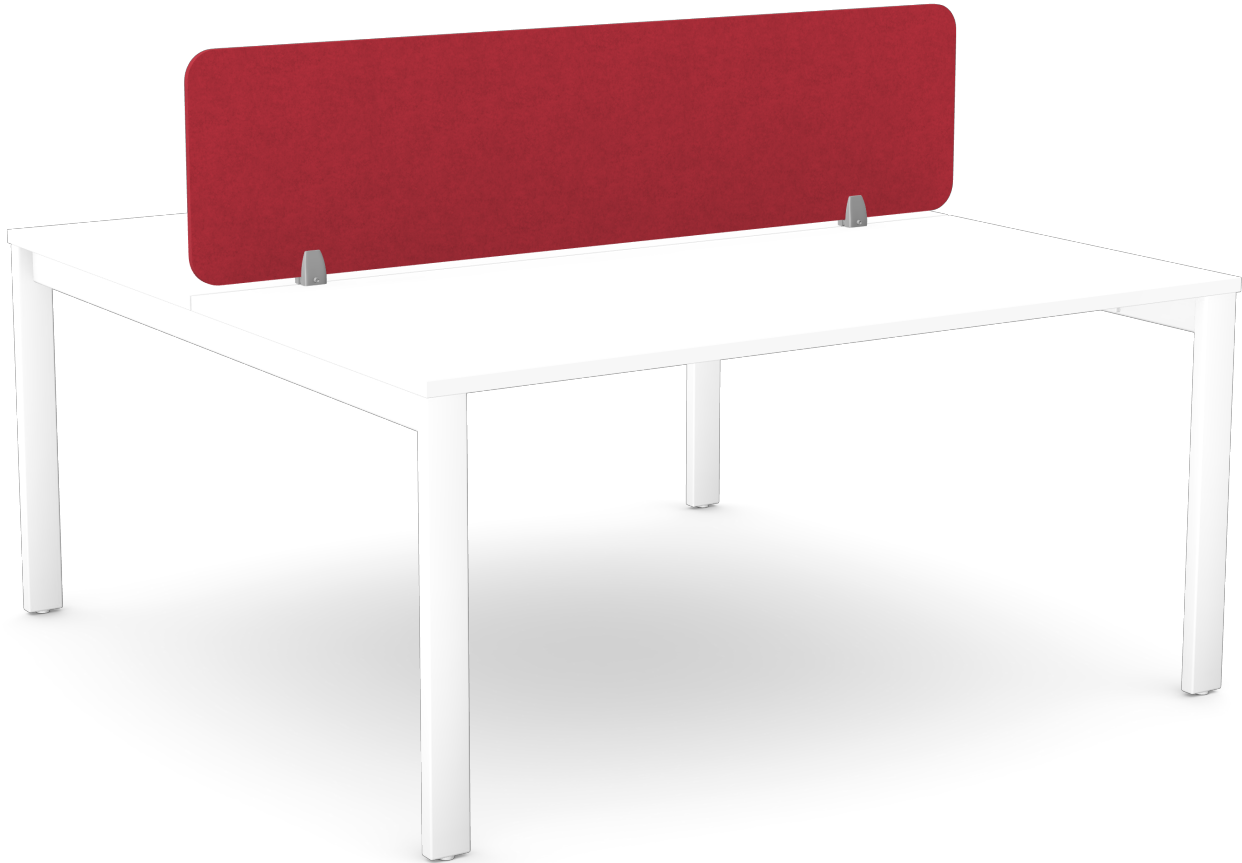

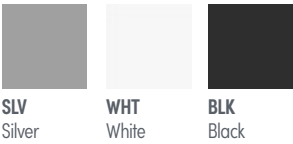

**Koala Acoustic PET screens are made from PET material which is manufactured from recycled material.**

Koala Acoustic PET Screens are desk mounted screens made in Ireland and manufactured from Acoustic panels. Not only do Acoustic PET screens give privacy to the desk user but they also provide an excellent acoustic solution to reduce noise in any office space. This dramatically improves the health and wellbeing of employees ensuring more focus and increased productivity.
